

NAVIGATING THE COSTS

R
I
S
E

WHAT MIGHT YOU NEED MONEY FOR?

You might need to pay an advisor - ask your administration what that cost would be.

- If you decide to go with someone outside of your school, do they require a fee?
 - They may not, but it is still nice to give them some sort of gift at the end of the season. How much would this cost?

Remember tournaments cost money

- A tournament can cost \$300 per team (NOT school)
- However, that is always subject to change. Check out your state's mock trial website to find the cost of the tournament.
 - For example, in Arizona, check out this [link](#)!

Materials you may need

- If you plan on purchasing binders, a whiteboard, legal pads, etc. for your team, consider how expensive that would be. This is not necessary by any means however.

CALCULATOR

Based on the cost... you can decide how much each member will have to contribute to be on the team... or that you can raise through fundraisers of all sorts:

TEACHER FEE _____

TOURNAMENT FEE _____

MATERIALS COSTS _____

EACH PERSON'S
FEE
